

North Arkansas Disaster Relief Sunday, August 14th 2011

Matthew 25:35 motivates us to serve that we may give "a cup of cold water in Jesus' name." A disaster hits suddenly and with it the opportunity for immediate ministry. No area of mission action requires more rapid response than disaster relief. Southern Baptist Disaster Relief is Christian love in action, meeting urgent needs in crisis situations.

The Arkansas Baptist State Convention's Disaster Relief ministry continues to be an outreach to people and communities that struggle with the effects of disasters. Disaster Relief volunteers provide ministries such as: Feeding, Showers, Chainsaw, Blue Tarp, and Communications. Arkansas has over 1,200 volunteers who show Christ's love by providing for the needs of those who have been affected by disaster. Along with your help we can minister to more.

The North Arkansas Baptist Association is one of two Supplemental Units within Arkansas Baptist Disaster Relief and we provide the following services:

- Mass Feeding for recovery workers and disaster victims,
- Shower and Laundry for recovery workers

How Can EACH PERSON HELP?

- **Pray** – for funds to help NABA DR Thrive, safety of volunteers, for the lives that are affected by the disaster.
- **Give** – This DR Sunday will you give to help NABA DR Thrive? Two ways to give a sacrificial gift to the NABA DR or we know that every dollar counts will you give a \$5 love gift to help the NABA DR TEAM THRIVE? If each person in our associational would give \$5 our DR Team would Thrive to the next disaster.
- **GO** – More Disaster Team members are needed if you're interested we will train you to go with us the next time we are called to respond. If interested contact Lead Blue Cap Brian Keller briankeller@cox.net or 870- -----
